Sheet & Case Sizes:

- Full factory sheets measure approximately 40" x 60", but sheet sizes vary from one case to another and can range from 37" to 40" wide and 57" to 60" long. If sheet size is vital to your project, please specify dimensions when ordering.
- The average "bin size" sheet is about 30" x 40" or relative to the size of the factory sheet
- A full factory case contains approx. 580 sq.ft.
