For the Spectrum products listed below we've shown the product codes for the larger sheet sizes in 3.2mm thickness BUT NOTE THAT ALL Spectrum clear textures are available in bin size sheets of 24" X 48" in 3mm thickness. To order bin size Spectrum products DO NOT include the "A/" in front of the number. For example, for SP A/100A, order as SP 100A.

Spectrum's Premium 3.2mm Architectural Glass Line (not available in bin sizes - see note above)

Product Code	Description	Reg. Sheet Size
SP A/100A	Artique	26" x 72"
SP A/100BR	Baroque	30" x 72"
SP A/100C	Cord	30" x 72"
SP A/100G	Granite	30" x 72"
SP A/100K	Krinkle	30" x 72"
SP A/100RW	RainWater	30" x 72"
SP A/100SDY	Seedy	30" x 72"
