

**FEBRUARY SPECIAL PURCHASE!**

**Save 46% When You Buy The Kit TL HGCKIT01 -  
Three Exciting Products For One Great Price**

**Self Aligning  
Running Pliers  
TL PL190**

Specifically for thicker glasses. Dan Fenton's favorite runner. **This plier does an excellent job of running breaks on larger glass thicknesses such as 6mm.** A must have to make your cutting jobs easier.

**Vacuum Suction Cup Holder  
TL GS102**

Perfect for handling larger sheets of glass that may otherwise be difficult or impossible to manage in your store. May prove especially handy with the upcoming renovations season and the increase in demand for larger sheets of glass.

**Heavy Duty Ansell Edmont Vitriflex Glass  
Handling Gloves  
MS 450**

An excellent heavy duty glove for all your glass handling needs.

Three great products for one fabulous price!  
Buy these as a kit for yourself, or pass the kit on to your customers. It is great value for some must have tools.
