

# NEW FUSING PRODUCTS

## Introducing Skutt Kilns

We are now bringing two of the most popular Skutt Kilns to our customers - The HotStart and the GM1414. With these two choices, you can find a good size to suit your fusing needs.

For more details on these models, please see Skutt's web site at <http://www.skutt.com/>.

GM1414  
Studio Series  
Kiln

HotStart Controller

### Coming Soon

#### GM1414 Studio Series Kiln Overview

- The top and side firing elements make this unit fire very evenly and allow for glass projects to heat at a uniform rate
- With a 13.5" chamber height this kiln is much taller than other top firing kilns allowing for tall slumping and drop mold projects.
- They are equipped standard with the GlassMaster Controller which gives you the precision and versatility needed for complicated firing projects.
- Comes with 8" stand

#### GM1414 Studio Kiln Pack Comes Complete With:

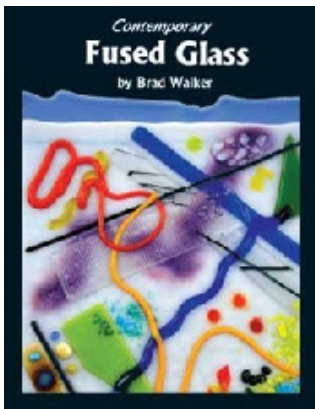

- lidlifter
- window
- eleven 5"x3/4" kiln posts,
- two end shelves and one middle shelf

### Contemporary Fused Glass

By Brad Walker  
BK 093318

Contemporary Fused Glass is 30% larger than Contemporary Warm Glass, with an even better tutorial and with expanded sections on inclusions, surface techniques, pattern bars, high temperature firing, and more.

Along with a new cover and title Contemporary Fused Glass includes dozens

of full colour photographs of kilnforming processes and inspirational contemporary glass artwork from artists throughout the world. Like its predecessor, Contemporary Fused Glass promises to be a welcome addition to your glass library.

## NO Days BailBond

NO DAYS  
BailBond

NDG BBC15630-2

NO Days BailBond, from the manufacturers of NO Days Glaze, have an innovative new product that bonds bails to glass jewellery - no scuffing of the glass surface to get your adhesive bond is needed.

This high strength heat activated adhesive is easy to apply with any standard heat gun or embossing heat tool. NO Days BailBond is a specially formulated quick curing non-toxic adhesive. Heat it...cool it...wear it! The BailBond is packaged in 2ft (61cm) rolls, and is available in clear.
